UPshow is the leading in-venue interactive entertainment and marketing platform. With UPshow, your business transforms its TV screens into engaging digital experiences for customers, patients and employees.

Value Proposition :

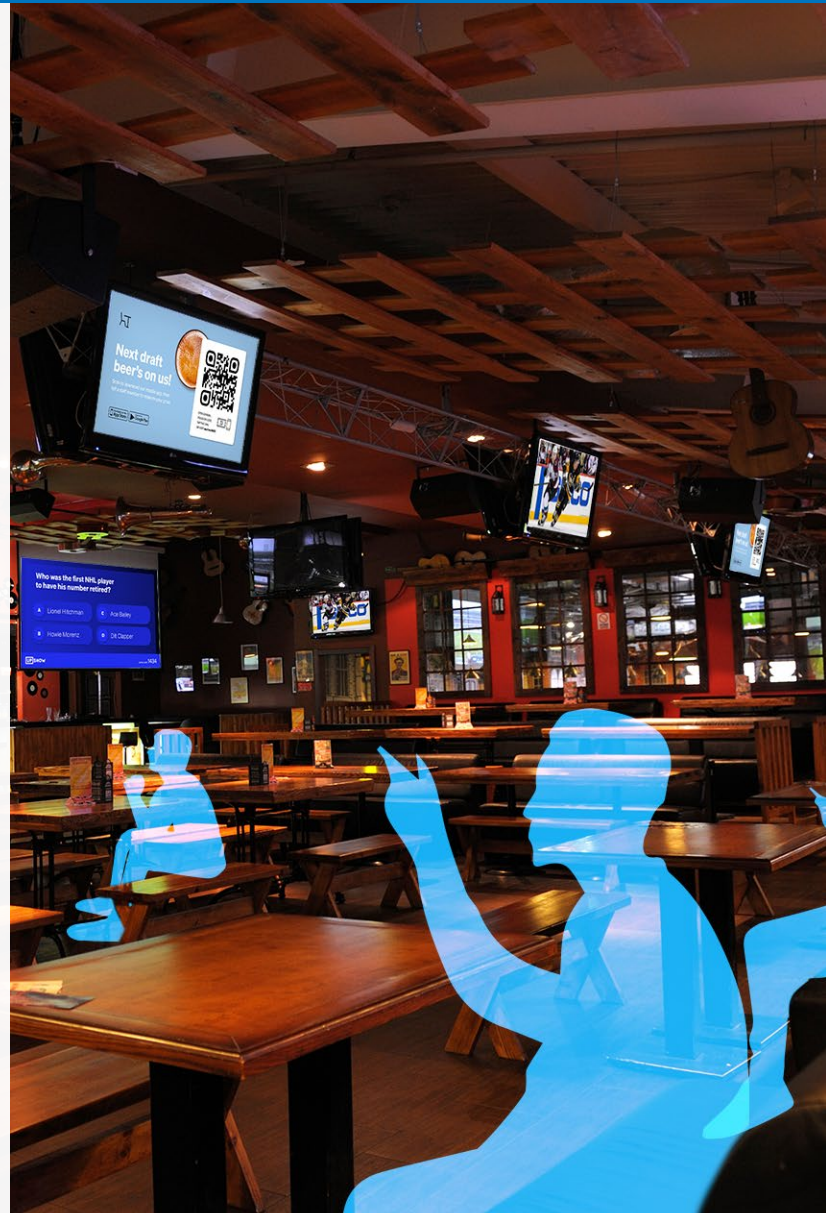

- Increase in customer check size through promotions of limited time offers
- More repeat visits by way of loyalty sign-ups or app downloads
- New customer generation through organic word-of-mouth marketing on social media, Google, and Yelp

Competitive Advantage:

- We are not ad-supported - what goes on your screens is yours - no competitive ads
- We give the controls to the brand - allowing them to truly program their own television channel
- We are revenue-focused - each brand has their own financial goals and our screens allow those to come to life

Product Offering:

- UPshow provides leading entertainment and educational content (500+ channels)
- Promotions include Loyalty Sign-Up or App Downloads, Limited Time Offers, and Yelp Reviews
- All of this is managed via an intuitive, cloud-based control panel. Easily control content on one or one thousand screens, from the corporate level or all the way down to the location
